

# Family Fireworks Safety Information

Family Fireworks are not toys and must be treated with respect!  
Obey the laws and by-laws for buying, storing and using Fireworks in your town.

**Only Adults**

**Should Light Fireworks**

Keep fireworks in a cool dry, ventilated place away from children.

Choose a wide, clear site away from obstacles (30m x 30m).

Keep water nearby to dispose of debris & used fireworks.

**Carefully read the instructions on each Firework.**

Bury fireworks that do not have a standing base halfway, unless the label indicates otherwise.

Use a good firing base or a wheelbarrow, filled with earth or sand.

Never light a firework in your hand or hold a lighted firework in your hand, other than a sparkler.

**During the show, wear safety goggles**

Do not fire in windy conditions.

Light carefully. Always light the fuse at its tip.

Never try to relight a firework that did not go off. Never try to fix a defective firework. Wait at least 30 minutes before approaching the firework.
